seven years' A NEW BRICK MACHINE. 30,000 BRICK PER DAY

NATIONAL BRICK MACHINE. IT IS WORKED BY A TWO HORSE power, such as used in threshing. It requires seven men, including off bearers I power, such as used in threshing.
It requires seven men, including off bearers,
to man it.
Seventeen moulds, each containing cayities
for six bricks, are required.

Three trucks are necessary to off bear. Each
truck holds thirty brick.

The machine is capable of making fifty
thousand brick per day, but as this would require extraordinary exertion on the part of
the workmen, a fair day's work may be placed
at from thirty to thirty. five thousand.

Having purchased the exclusive right for
Marshall and Ohio counties, W. Va., and Beimont county, O., and agents for any other territory, we are disposed to sell bricky art, lown
or county rights on favorable terms.

A machine will be operated here by us as
soon as the weather will permit.

Parties destring brick per them at present.

Latest News.

Washisotos, April 19.—The celebration of the emancipation of slavery in the district of Columbia, took place today. Two regiments of colored troops and various colored civil associations, with many other colored citizens, assembled in front of the Executive Mansion, making a dense mass of colored faces, relieved here and there by a few white reasy. WASHINGTON, April 19. SENATE.

Mr. McDougall rose to apologize for some remarks made a few dars ago in reference to his colleague. He regretied having made; these remarks, and begged the pardon of the Senate, as he had already begged the pardon of the gentleman. faces, relieved here and there by a few white ones. After the firing of cannon and the playing of several martial airs, three cheers were given for the President of the United States, who having been escorted to a prominent position by United States Marshal Garding and his private secretary Col. William G. Moore, addressed the assemblage as follows:

I some remarks made a few dars ago in reference to his colleague. He regret the to his colleague of the sendon to he sendon to he sendon to he sendon to be committeed. Mr. Anthony, from the committee on his his report, in relation to the Southern States.

A certain House amendment was recommended by Committee and agreed made was taken up and discussed until the expiration of the morning hour, and then postponed until Tuesdy.

A chill in relation to the Habeas Corpus was taken up without debate. Senate then adjourned.

Mr. Hoyser offered a resolution to print for the use of the members of the House and for distribution 50,000 copies of the testimony of Alex. H. Stephens of the Committee on Resolution to the Committee on Resolution to the Committee or Naval Affairs.

Mr. Royer offered a resolution to print for the use of the members of the House and for distribution 50,000 copies of the testimony of Alex. H. Stephens for the Committee on Resolution to the Committee or Naval Affairs.

Mr. Royer offered a resolution to the Committee or Naval Affairs.

Mr. Royer offered a resolution to the United States, given the committee or Naval Affairs.

Mr. Royer offered a resolution to the United States, given the committee or Naval Affairs.

Mr. Royer has on irroduced a bill to provide for military instruction in the Agreeutrum Colleague, which was read wite and referred to the Committee or Naval Affairs.

Mr. Royer has been committee or Naval Affairs.

Mr. Royer has been committee o

of Mr. Stevens from hally of the session had passed.

Mr. Stevens replied that with the exception of the deficiency bill and the miscellaneous bills, necessarily kept back until about the close of the session, and the Indian appropriation bills, kept back in reference to some new treaties, all the appropriation bills were passed. The regular order of business for the morning hour being the call of committees for reports, the bill which was reported ten days since from the Committee on Invalid Pensions, increasing the salary of the Commissioner of Pensions to \$6,000, and that of the chief clerk of the Pension office to \$2,500, came up, and the House voted yesterday to reject the bill, and had reconsidered that vote, and now the question was again on the passage of the bill. After some discussion, the House came to a vote upon it, and the bill was passed, 60 to 51.

Mr. Van Horn, of New York, from the Committee on Roads and Canals, reported a bill to construct a ship canal around the Falls of Niagara.

Mr. Paine offered a substitute for the bill.

Mr. Van Horn addressed the House lause,) Let me mingle with you in the celebra

want twice, and was referred to the Committee on Appropriations. The House at 4½ o'clock adjourned.

Riot at Norfolk.

Fortress Monkog, April 19.—The riotous demonstration attending the negroe procession yesterday in Norfolk to celebrate the passage of the Civil Rights bill, proves to have been a more serious affray than at first reported. The disturbance originated with a number of the rowdy element jeering at the procession, and a few negroes maddened and inflamed with liquor. First arms were frequently discharged, and as is usual in such cases, innocent spectators were the greatest sufferers. One man was killed, and several persons wounded.

The following are the names of those killed and wounded: Robert. White hurst, killed, and his stop mother mortally wounded; John Whitehurst, dangerously wounded, John Whitehurst

WASHINGTON, April 19.—The President has approved the navy appropriation bill. The aggregate amount for the Boston Navy Yard is \$275,000; for the New York Navy Yard is \$558,000 including \$99,000 for the Ruggles' property; for the Philadelphia Navy Yard \$148,000; for the Portsmouth Navy Yard \$200,000, and for the purchase of Cavis Island \$105,000. Toronto, C. W., April 19.—The vol-unteers which were sent to the Lower Canada frontier have been recalled, the Fenian raids being no longer feared. The examination of Fenian prisoners at Cornwall continues with closed doors. It is understood that the examination

Louisville, April 19.—Cave Hill Cemetery was connected with the city to-day by street cars.

The largest distillery on the continent was opened to-day, under the name of Kentucky Bourbon Company, incorporated by act of the State of New York, owned by capitalists in New York, Boston and Louisville. Its capacity for distilling whisky is one million gallons a year, besides extentensive quantities of flour, It is understood that the examination will be concluded to-day, when the prisoners will be remanded for a few days, to await the arrival of several important winesses. It is generally thought that the prisoners will be committed for trial at the fall assizes, unless special commissioners are appointed by the government for their trial at an earlier date.

date.

Resolutions in favor of the confederation of British North American provinces have passed the Nova Scotian assembly by a vote of 31 to 18.

The question is still pending in the Parliament of New Brunswiek, and if neglected there the House will probably be dissolved and a new election held involving a delay of some weeks before the final result.

HALIFAX, April 19.—The steam ship England sailed last evening with the convalescent passengers for New York. She has had no new cases of cholera.

Intilion gallons a year, besides extentensive quantities of flour,

NASHVILLE, April 19.—A young man named Isaac Newton Steele was found, probably mortally wounded, at the Edgefield depot; the ball passed through his brain—supposed to be accidental.

Bruner's trial progressing.

Thomas Hughes

Will. Continue the Merchant Tailoring, and wholesale and retail clothers. She has had no new cases of cholera.

CHICAGO. April 18.
Collector Snyder, of this city, has made a seizure of 15,050 pounds snuff, the property of a Swede named Wilson, for non-payment of taxes. Some of it was found on the premises of the defendant, on North Franklin street, and a portion at Galesburg, in this State. The property will be sold at the Custom-house on the 25th of this month. A man named Erastus Hanson, was arrested a day or two ago, and about three thousand cigars and a quantity of manufactured tobacco taken for violation of the revenue law. Hanson worked as journeyman in one of the cigar establishments of the city during the day, and at night worked in his own room, making cigars, putting them in old boxes and taking them around to saloons to sell, evading payment of

in old boxes and taking them around to saloons to sell, evading payment of duty. The case will be examined into in a few days.

Last night an unknown man who was walking along the railroad track near the corner of the Archer road and Slewart avenue, was run over by a dummy and killed. He did not notice its approach, although the usual signals were given.

The excitement in wheat continues, but with less buoyancy in the market. At opening, sales of No. 1 spring were made at an advance of 2%3 per bushel on yesterday's closing figures, but prices subsequently weakened, and receded 3%4c, closing quiet at \$1 37½%1 37%4. No. 2 Spring is in good demand, with sales of 2,000 bushels at from 96 to \$1 05, according to location. Rejected

ed 3@4c. clossing quiet at \$1 37½@1 37¾.

No. 2 Spring is in ignood demand, with sales of 28,000 bushels at from 96c to \$1 05, according to location. Rejected Spring is dull, with light sales at 70c.

Holders of Flour are firmer in their views, and generally asking an advance of 25c. per barrel, to which buyers are unwilling to accede. The market is moderately active. The sales foot up about 2,000 barrels, at from \$7 90 to \$9 for good to fancy brands of spring extras; \$11 26 to \$14 25 for good to choice white winter, and at \$5 15 for spring superfine. The market for Corn is quiet but steady, with sales of No. 1 at 46c; No. 2 at 42½@43c., and rejected at 42c.—There is a good speculative and some shipping inquiry for Oats at an advance of 1c. Sales of No. 1 were made at 28@30c., and of No. 2 at from 23¼@23¾. Rye quiet, but held firmly, at 54c. for No. 1 and at 51c. for No. 2 in store. Barley steady and firm for prime lots, but inferior grades dull.

The general Provision market is quiet and steady, with few orders for English Meats. Sales of country kettlerendred Lard at 18c. Sales of Bulk Shoulders at 9½c, loose; sweet pickled Hams from dressed Hogs at 15½c; packed Mess Pork nominal at \$25 25@25 50. Lake freights quiet but firm, with engagements at 8½c for corn to Buffalo; 12½c for corn, and 13c for wheat to Oswego; 9c for wheat from Milwaukee to Buffalo.

Receipts of Cotton to-day very large and market dull and 25c lower for all except choice grades.

The sales range from \$5 10@5 85 for common to medium, and from \$6 25@ 725 for good to choice shipping Beeves.

Live Hogs are weak and unsettled, with rates at from \$8 65.90 12½c.

Good Sheep are in demand at \$5.66, but inferior tots dull.

COMMERCIAL AND FINANCIAL.

The regular order of business for the monthibour being the call of committees for reports, the bill which was reported ten days since from the Commissioner of Pensions to \$6,000, and that of the chief clerk of the Pension office to \$2,500, can up, and the House voted yesterday to reject the bill, and had reconsidered that vote, and now the question was again on the passage of the bill. After some discussion, the House came to a vote upon it, and the bill was passage, \$6 to bill. After some discussion, the House came to a vote upon it, and the bill was passage, \$6 to bill. After some discussion, the House came to a vote upon it. And the bill was passage, \$6 to be consideration of the bill was passage, \$6 to be consideration of the bill was passed, \$6 to be consideration of the bill was passed, \$6 to be consideration of the bill. The bill was passed, \$6 to be consideration of the bill to construct a ship can around the Falls of Niagara.

Mr. Van Horn addressed the House the provision of the bill. The bill was passed, \$6 to be consideration of the bill to recognize and research that the bill to recognize and the research of the bill to recognize and the provision of the bill to recognize and the resulting of the bill to recognize and the result of the bill to recognize and the result of the provision of one band to lead a regiment, and authorizing instead the retaining or enlisting of seventeen bann's.

On motion of Mr. Stevens the Senat joint resolution making an appropriation; The Bonne at 145 o'clock adjourned.

Mr. Paint steril the provision of one band to lead a regiment, and authorizing inside the retaining or enlisting of seventeen bann's.

On motion of Mr. Stevens the Senat joint resolution making an appropriation. The bill steril the provision of one band to lead a regiment, and authorizing inside the provision of one band to lead a regiment, and authorizing inside the provision of one band to lead a regiment, and authorizing inside the provision of the bill consideration. The procession than the provisio

A New Fifty-Cent Countersfill.—We have examined a counterfelt fity-cent oil of the U.S. fractional currency taken by a U.S. detective from a dealer in counterfeit money. It is of the issue upon which appears the head of the Treasurer of the United States, Gen. F. E. spinner. The General's face is coursely done, and the expression is poor, the eyes are particularly duil and heavy. The geometrical lathework is very imperfect, as a saily seen by a comparison of the counterfeit with a genuine note. This is the first counterfeit of the issue, bearing Gen. Spinner's face in circulation.—Boston Advertiser.

[By Telegraph,]

Spirit of the Stock Market.

New York, April 19.

The Commercial says: The stock market suffered this morning from a slight attack of cholsra, the result of sympathy with a stock market stock in the stock of sympathy with a stock of cholsra, the result of sympathy with a stock of cholsra, the street is very sensitive stock of the probability of the scourge breaking out in this country, and judging from the tone of opinion, the event would be attended with an important decline in securities.

The Railroan Iss, with a few exceptions was decidedly weak at the Ilrat board; price ranging from 1/26/26 lower. The apprehension of cholers somewhat checked clique og erations, and stocks bought freely yesterda in anticipation of a rise were resold the morning at a decline. The case is mone continues; the demand from the street articly moderate, and is generally supplied at the street of the stree Cincinnati Market.

Cincinnati Market.
Cincinnati, April 19.
Flour opened active but closed dull, prices unchanged; Superfine 37 5067 75; extra 38.50 si2; family \$9.50610; and fancy \$10.0612 23. Wheat dull, and prices nominal; No 1 red \$2.10 wheat dull, and prices nominal; No 1 red \$2.10 si2 15; do old do \$2.2006 23; and choice on \$2.5062 50. Corn firm and in good denated at 50.5065 in elevator; and 64.000 and 64.000 denated at 50.5065 in elevator; and 64.000 and 10.000 denated at 50.506 in elevator; and 64.000 denated at 50.506 by the firm of the first side of the St. Louis Market.

MERCHANT

Dry Goods.

The market has become less active, and es are again failing. Prints have been stly sold at; a further reduction of one to yard, at which, however, the sales been belinns are in a mail stock, and dy. Drills are active. Sheetings and tings of the best grades sustain their es, but second and inferior grades are he depressed. Brown sheetings are in ndant supply. An export to China of packages cotton has taken place, value 641. The demand for mouse-lines de is has failen off. Stocks are accumulatively. The demand at low prices, Cassimeres and nets are both heavy in price. Even the stand best grades have introduced the pressed on the market at very long rices, importations are very large. Plain ck and colored silks have declined concentive. Fancy silks only are much asked Black bombazines and drap d'ete are in Son the supply of very undealte styles of dress-goods, which can be gift very low. Printed and blached tons are lower. AUGUSTUS POLLACK.

AUGUSTUS POLLACK, Sole Agent for the sale of the cel-Steinway Pianofortes. These Planos are acknowledged the best instruments in America as well as Europe, having taken (3½) thirty-two first premiums, yold and silver medals at the principal fairs held in this country within the last ten years, and in addition thereto they were awarded a first prize medal at the great International Exhibition, London, 1822, for powerful, clear, brilliant and sympathetic tone, with excellence of workmanship.

Every Steinway Plano warranted five years. Samples open for inspection, and orders effected promptly at

To the Public.

Mrs. M. C. Leech returns to the very liberal share of patronage bestowed upon her during the 28 years she has been engaced in the clothing business in this diy. The new firm of M. C. Leech & Co., respectively contained the company of the late of the late exhibition held at the Macyland Institute of Baltimore, Md., in the Complex of Destiness, a continuation of the period to any beretofore known. Those in want of a first-class Plano, manufactured with the greatest care and of the best mainrial, will save Decider's commission, which only makes planos more costly, but by no means more valuable, by sending orders directly to the factory, as above directled, or by applying at Professor HARMAN RETELES, No. 18 Market street, and General Debility. The remedy was discovered by him when his only child, a daughter, was given up to die. His child was curred and is now alive and well. Desirons of benefitting his fellow mortals, he will send to those who we have and will be kept in tune for one year free of charge. Old planos taken in exchange. Old Planos taken in exchange.
